MAY- JUNE 2021

My Dear Praying Friends,

The things in the ministry here have surely picked up the pace this year and we've been really busy since early spring and it has not slowed down these past two months, which we are glad for as the post-covid times are here and we aim to retake the ground we lost last year due to the world pandemic. Having Dr. Benach and his wife assisting in the ministry back in April created a great momentum in the month of May with the arrival of another friend in the ministry, Dr. Steve Cook (JWMM) as we spent nearly **20 days together in four cities, seven churches and held 15 different special services where around 500 people attended and 29 of those raised their hands for salvation, praise the Lord! Many of those were children's hands** and one of those hands was that of our youngest son Evan who was under conviction before we even entered the church building for the morning service and who sat on the edge of his seat literally throughout Dr. Cook's sermon and when the invitation time came Evan was already in tears praying to Jesus for salvation. What a joy it is for a father to lead his son in the sinner's prayer and watch him change instantaneously. Our Family praises the Lord for Evan's salvation as he was the last one who wasn't saved in our family and whom we all prayed for so many years. We also are so happy for the many souls' salvations that we've witnessed in the past two months that we were privileged to report to you. We thank Dr. Benach and Dr. Cook for their time and efforts given to this ministry and especially **for your prayers for all these endeavours, amen!**

The plans are already being made for Dr. Benach and Victoria to return to Ukraine along with their pastor and his wife at the end of September for more special events. Also, my wife and I are going to be in the US in July and part of August speaking in some new churches on the behalf of our mission organization, JEM, assisting it in raising some additional funds for its global ministries. The travels will take us to the West Coast (CA, AZ, OR) as well the East Coast (TN, GA, MS, SC) and **we ask for your prayers as we venture out into the post-covid world.**

Olga and I continue with different ministries within Menorah Baptist Church that picked up in attendance lately. Lord willing, there are four baptismal prospects for this summer's water baptism, with two of them being my mom and my son. The Family is doing fine: Dasha (the oldest daughter) got her Diploma as she graduated from University. Sophie (our youngest daughter) graduated from high school with honors and considers her further education options. Evan (the youngest child/son) was transferred to high school and Nikita (our oldest son) is continuing his Bible education having completed his third year. Everyone is healthy and upbeat and **we all thank you for your faithful stand with us in these hard times with your prayers and financial support. Let the Lord bless you in your lives and ministries as we all strive to live and serve for Him until He comes! Shalom!**

Your Ambassadors in Ukraine,

Eugene and Family
