

HAPPY NEW YEAR FROM THE EVANS FAMILY!

As we welcome 2022, we reminisce on the past year in Sierra Leone and say, "God has been good." Despite the 6-week shut down of all religious gatherings during the summer months, we have distributed over 400 tracts and/or copies of John and Romans, witnessed 85 professions of faith, and celebrated 8 baptisms through the church and its events. Additionally, we were able to participate in the annual Sierra Leone Military Leadership Conference with almost 500 participants and share in the fellowship of more than 700 people from all the New Beginnings Baptist Churches at a combined service.

We have learned the spiritual climate of Sierra Leone makes evangelism and outreach easy, which is a blessing. However, the challenges of daily life and responsibilities of Sierra Leoneans greatly hinders additional commitments of time. Envisioning the next 12 months, we ask prayer for the church in the areas of discipleship and service. We deeply desire to see radical spiritual growth in more of our fellow brothers and sisters.

Thank you for your faithfulness in prayer & financial support!
