

OCTOBER IS A SPECIAL MONTH TO REVIVALCRUSADE, INC.

PAST The first Sunday of October 1961, My Father, R. R. Mathews began a weekly radio program: WCHS (580 on the AM dial) 9 to 9:30 Sunday AM. He went to heaven in 1964. His brother-in-law, Walter Guy Smith, continued the program until his passing. I conducted his memorial service in September and assumed the responsibilities on the first Sunday of October of 1976. As of this month, we observe **60 years of Revival Crusade Inc. ministries of revival, radio, and missions. 3,129 programs!** All these years we have operated by this method: TRUST GOD, TELL HIS PEOPLE, TRUST THEM.

PERSONAL I (Glenn) will be 86 on December 5th. Much of life in the USA is radically different than it was when I preached my first sermon in February of 1953. Question: do you feel "this world is not my home, I'm just passing through?" I surely do. Local church "revivals" are shorter and far less frequently scheduled. The trend to fewer and shorter meetings started more than a few years ago and has been almost brought to a dead stop by the Covid pandemic.

I praise the Lord that he has enabled us to serve him full-time in evangelism and missions. Fleta has maintained her personal ministry of Certified Biblical Counseling to many and continues doing so to this date. We say "To God be the glory, great things He has done".

PLAN If you hear of a "retired evangelist", you should think either his health prevents his continuing to travel and/or pastors have stopped scheduling him for meetings. As of this writing, I am still able to travel (have driven over 2 million miles since 1976 and flown 65+ trips to other countries preaching the Word. My/our plan is to "finish my/our course with joy." We are **ABLE and AVAILABLE**. If you feel our ministry could help your local church, speak with your pastor and have him contact me/us. Your financial contribution to our ministry is most appreciated and (for now, at least) still tax deductible. Would you ask God as to how you may assist us in His work?

Thank you for reading and praying!

Your fellow helpers,

Glenn + Fleta
