Dear Friends,

Thank you for your encouraging gift as we move into our summer ministries. Your support at this time is so important to help us accomplish our ministry through our various camps, retreats, and outreach contacts.

Praise the Lord we are once again able to provide our Alpine ministry programs. We are expecting a full summer of resident camps for children and teens. Please pray for good health—no COVID—and for great spiritual impact. Also pray for safety as we enjoy a wide range of activities such as rafting and rappelling. Pray especially that many teens will be surrendered to the Lord to serve Him in ministry.

Let me encourage you also to check out the itinerary of our Gospel Heralds, a music ensemble of students serving throughout the summer. I believe you would be blessed by attending one of their concerts (abc.edu/gospelheralds). Pray that they will be effective also through their Aim True laser tag activity with various youth settings.

These are impactful days to reach our world for Christ. Thank you for praying the Lord of Harvest to send forth servants . . . Because Life is for Service.

*Grateful to serve
with you dear
Jude*

Blessings
