Dear Praying Friends,

Is your church family meeting as "normal"? Our services are still divided up for those families with Sunday School children coming at 11 a.m., and then those without little ones at 12:30. There is another benefit to the Covid restrictions--the teachers get to attend the second service and don't miss the sermon! This week's verse is from Matthew 18: 20 "For where two or three are gathered together in my name, there am I in the midst of them."

Yesterday we had an outside Sunday School party. Today in Madrid we can walk outside without a mask! REJOICING!

Classes at Evangelical Christian Academy ended the first Friday of June. We were sad to graduate our fifth graders because they are such a sweet class. Both fourth and fifth grades were a blessing to teach. We ended with three field trips because we wanted to show our gratitude for such great behavior and attitudes toward wearing masks (yes, even at recess!) every day all day long without a word of complaint!

We're gearing up for English Camp on July 5th through 16th. The first week's focus is on English vocabulary. Then for our VBS week we'll use the same polar theme to share eternal Truths. You know what I'm going to ask... that you pray for the salvation of each and every Spanish child.

Who says nothing is free? God has allowed me to earn a free flight with American Air Miles, so I'll be traveling to the US from July 17 to August 17th. If I can be of any help to you or your church family, don't hesitate to call me at (304) 675-4529.

Thank you. I'm so grateful for your gifts and prayers.
