KANAWHA LIGHT

...bringing Good News to the Valley's children

A Publication of the Kanawha Chapter of CEF of WV Inc.
 March 2021

Spring is an exciting time of the year when we start to get more hours of daylight. In addition to the refreshing feeling the sun brings, the added sunlight gives more time to be outside. Whether it be working in your yard or playing with your children or grandchildren, those added hours of daylight make the spring and summer more enjoyable. It is nice to know you have extra time to work or play.

In the New Testament, Jesus said, "I must work the works of him that sent me, while it is day; the night cometh, when no man can work" (John 9:4 KJV). Throughout His ministry, he would allude to the fact of a closing window of opportunity. He used the analogy of the night overtaking the day. Just like the daylight will give way to the end of the day, there will be a day when we no longer can share the Gospel because all of history will come to a close.

Our work at CEF Kanawha is vital. We work "while it is day" because "the night cometh, when no man can work" (John 9:4 KJV). All the children in Boone, Clay and Kanawha counties must hear the Gospel before Jesus returns. Every week, our staff works diligently to reach the children in our area. The total children in our area is over 21,000 (between K-8). This a bigger task than our staff can do alone. We need laborers to come along side of us to reach the children. Will you choose to work with us "while it is day?" The night is fast approaching.

We are grateful for each one of our partners.

When we started the 2020-2021 school year, we had no clubs scheduled. We are praising God that we will be finishing with at least 7 virtual clubs.

Thank you partners, staff, team leaders, and volunteers for helping us reach the 42+ children in our virtual clubs.

CEF[®] NEEDS YOU... TO HOST A 5-DAY CLUB!

The staff at the office are excited and gearing up for an AMAZING summer of ministry to children in Boone, Clay, and Kanawha counties. But, there is one little catch. We need a backyard, community center, church gym, church parking lot, or anywhere else that we can safely hold a club. This would be a one week, or 5 day, commitment.

(Continued on page 2.)

How are the teenagers that you know planning to spend their summer? Invite them to join our team for a fun summer of reaching children with the Gospel of Jesus. It will be a summer they will remember for a lifetime.

Summer missions is an opportunity for anyone from 6th to 12th grade (or older) to participate in conducting 5-Day Clubs and Vacation Bible Schools in the Boone, Clay and Kanawha Counties. They will participate in a week of training to learn the memory verses, songs, missions stories, and more! After the training, they will be divided up into teams and sent to share what they have learned with the children in various areas of our chapter. Talk about a memorable summer.
