Dear Brothers and Sisters at Elkview Baptist,

And will not God bring about justice for his chosen ones, who cry out to him day and night? (Luke 18:7)

We stay connected daily with friends and pastors in Haiti who do cry out to the Lord in their many serious trials. Political chaos and crime go virtually unchecked, especially in the capital city of Port-au-Prince. The leaders of the UEBH (Union of Evangelical Baptists of Haiti) have invited me to come down in mid-May to participate in the STEP (Seminaire Theologique Evangelique de Port-au-Prince) graduation ceremony of student pastors and to visit the believers. Please pray with me to know the Lord's will in this. The US Embassy advises that Haiti is too dangerous for visitors, yet flights still operate, and some Americans do go in and out of the country. I realize one cannot serve the Lord without risks, and I'm leaning toward going, but I do ask for your prayers.

Another matter is the great need for a new vehicle for our UEBH ministry, the House of Hope in Haiti. Since 1956 the HOH provides physical and medical live-in hope to nearly 100 Haitian children with many types of illnesses, mainly TB and severe malnutrition. The main goal, of course, is to not only bring healing to their bodies, but most of all to see these kids place their faith in Christ. Check out the House of Hope at <https://www.houseofhopehaiti1-lapointe.org/> The price of a new Nissan truck is \$37,000, not a fancy one, just a plain pickup truck. That's because of shipping and custom taxes. Used trucks in Haiti are just too beat up to be feasible. The Lord has provided \$23,000 so far through donations. Joyce and I and our son David have decided to take a big step of faith and make up the difference...with your help we hope! Would you ask the Lord about making a gift toward this very essential and exciting project? If your heart says, "Yes!" please send your check, any amount the Lord leads you to give, marked "Boggs-HOH Truck Project" to Crossworld, 10000 N. Oak Trafficway, Kansas City MO 64155. When that truck comes in, Linda and Jenny, who oversee the HOH ministry, will be filled with joy and gratitude for what God has done. I will let you know how it all turns out.

--Over--

We praise the Lord for you, our faithful supporters, in this the 50th year since we were accepted by Crossworld as missionaries. We are blessed beyond measure to serve Christ and equally blessed by your gifts that have made it all possible. To God be the glory!

Heartily in Christ,

*"Our citizenship is in heaven. And we eagerly await a Savior from there, the Lord Jesus Christ."
