Dear Friends,

Thank you for your gracious support. Your gift provides a wonderful encouragement to us here at Appalachian.

As we approach the mid-point of our spring semester, I want to thank you for your prayers. We are so blessed to continue our on-campus classes. By God's grace we are planning to complete the year with an on-campus Commencement event. Please pray to that end.

We are also moving forward with our plans for summer ministries. Our Alpine programs of camps and retreats will be offered. Praise the Lord for exciting interest in resuming these opportunities. These various ministries give us amazing occasions for sharing the Gospel and serving churches. Keep in touch with our other summer ministries of outreach and conferences. I continue to ask for your prayers and help in connecting with new students for this fall. Because of the limitations of COVID, we are seeking every possible avenue to reach students. Thanks for your partnership in this way.

God bless you for your help. Please continue to pray the Lord of Harvest to send forth servants . . . because Life is for Service.

*Praying God's best  
for you dear  
folks. So  
grateful to  
serve together.*

His Slave,
