Dear Friends,

Thank you for your encouraging gift. Your partnership provides important assistance for us as we equip servants to share the Gospel and strengthen the Church.

These are exciting times on our campus as we enjoy our beautiful fall season. We are blessed to have fellowship with many of our alumni during our Homecoming events. Praise the Lord for their testimony as they faithfully serve. It is also a blessing to again have our special Ladies Auxiliary fall luncheon with a great gathering of ladies attending from all around our region. Another blessing is our opportunity to honor the various pastors of our community with whom our students regularly serve. And an especially impacting occasion is our annual Missions Conference which impacts dozens of our students as we challenge them to surrender to God's call for missionary service. These are fantastic days!

I trust that my brief review of the many activities occurring on our campus will both bless you as you give financially as well as encourage you to pray for God's work in our hearts. Our world needs Jesus and we are passionate about training students to serve Him.

Thanks for your wonderful help. Always pray the Lord of Harvest to send forth servants.
