Word of Life Africa

We are in America! But not for long....

After spending several days in Germany with the newest missionaries to Word of Life Kenya, Eduard and Vanessa Schellenberg, we arrived in West Virginia. We were able to spend a week with Christy's family and celebrate her mom's 83rd birthday. We were also able to spend some time meeting with supporting churches in the Charleston area. It's always good to be in Almost Heaven West Virginia and spending time with God's people.

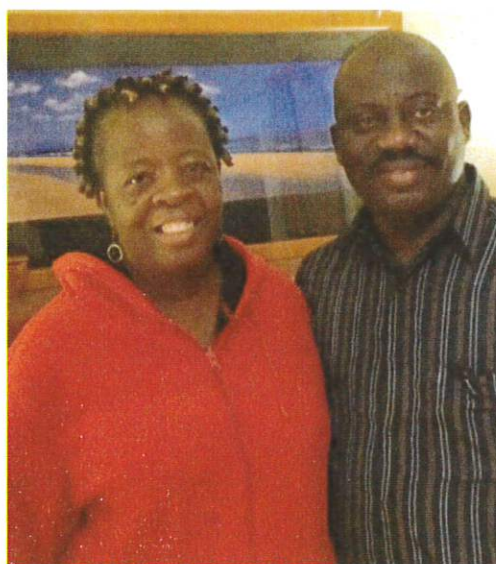

We then went to Lake George, New York, for a quick trip for a conference that we were able to share about Word of Life in Africa at. We spent the first 13 years of our marriage and ministry life in that area so it was good to be back and smell the pine trees, lakes, fresh air and soak in the beauty of the area as well as catch up with old friends and make some new ones.

A quick flight to Hudson, Florida, meant being able to celebrate the life of Mr. Robert Zeimer, who had a great impact on John and many others during his life. He was the real deal when it came to life discipleship and sharing Jesus with anyone he came into contact with. It also meant that we could stay the week at Word of Life Florida to rest, catch up on some work and school, and hang out with some life-long friends who have been involved in Word of Life just as long as we have.

Saturday we will head to Dallas, Texas, for a few days to visit with John's side of the family as well as catch up with our newest missionary to Word of Life South Africa, Michelle Brooks! Please pray for her as she awaits her visa approval and support team to established.

Last leg of the trip will be to Liberia, Africa, with Country Directors, David and Lucy Miami. We will be in there from 19-30 October, as we join the team to host a medical missions trip with a group from Connecticut. Prayers for safety for all involved and more importantly, for SOULS TO BE SAVED!
