

Seventh Warning: *The first wave recedes*

The first wave recedes. Another may not come for an hour. Many come down from higher ground. The next waves, of which the third through the eighth can contain the greatest destructive forces, come and drown them.

Noah's time was the first wave destroying the world with a flood.

Lot's time was the second wave destroying Sodom and its surrounding cities with fire and brimstone.

Jesus was the third wave: born of a virgin, preaching repentance from sin, preaching to live right, doing miracles, then dying on the cross and rising from the dead to cleanse those who believe. To save from sin and reconcile mankind back to God. Jesus pointed the way to the higher ground of right living: treating people and yourself right.

The next wave is Jesus' return to judge the world of sin. Jesus will gather those who believed, repented, and lived right unto himself. They shall live with Him forever.

Because Jesus has taken so long to return many come down from the higher ground of right living. They ran to higher ground from the warnings of earlier waves, but the killer wave will drown them in their sins.

"Where is the promise of his coming? For since the fathers fell asleep, all things continue as they were from the beginning of the creation." 2 Peter 3:4

How To Escape The Coming Eternal Judgment

Listen to the warnings:

1. **Seek the word of God till it shakes you free from the fruit of sin.**
"When they heard Peter preaching, they were pricked (shaken) in the heart and said, 'What must we do?'"
2. **Run with those who have chosen the high ground of moral living.**
"He who walks with wise men will be wise, but the companion of fools will be destroyed." Pr 13:20
3. **Do not follow the wicked** who publicly promote sin.
4. **Listen** to those who have knowledge of the coming judgment.
5. **Do not put off living for Christ** till you hear the trumpet sound and the noise of the heavens and earth burning with fire.
6. **Do not put off believing in Jesus** till you see Him coming in the clouds.
7. **Do not leave your Christian walk and the high ground of morality** because Jesus puts off His coming and nothing seems to be changing in the world. *"Repent from and confess your sins for Jesus is faithful to forgive and cleanse you from all sin."* 1 John 1:9

Continue in the Apostles' doctrine (right living), fellowship, and in unity with higher-ground believers, in prayers, and praising Jesus. Acts 2

God is not a respecter of persons. All on the low ground, of immorality will be destroyed. Catholic, Protestant, Jew, Muslim, atheist, black, white, rich, poor, or the famous.

The Most Destructive Tsunami In History

December 26, 2004 at 7:58 in the Morning

A nine magnitude earthquake off the Indonesian island of Sumatra caused the earth to wobble and shortened the day by three microseconds. The resulting tsunami killed more than 225,000 people on the coasts of Malaysia, Thailand, Myanmar, Bangladesh, India, Madagascar, and Africa leaving millions homeless and without food and water. Afterward, many died from hunger, exposure, and disease.

Within hours of the earthquake, killer waves—one after another—slammed the coastline, snatching people out to sea and drowning them in homes or on beaches. The waves gave no preference to race, religion, poverty, or wealth.

Tsunami means *harbor wave*, as it is not noticed in the deep ocean as a wave one to three feet high traveling at 500 mph. It slows to 50 mph in shallow water, but grows to a height of 10 to 100 feet with the third through eighth waves being the worst.

Seven Warning Signs Of A Tsunami

- 1στ EARTHQUAKE
- 2νδ ANIMALS RUNNING TO HIGHER GROUND
- 3ρδ OCEAN RECEDES OR RISES
- 4ττ FOREWARNING BY THOSE WHO HAVE KNOWLEDGE
- 5ττ SOUNDS LIKE A FREIGHT TRAIN
- 6ττ SEE THE FIRST HUGE WAVE COMING AT 50 MPH
- 7ττ THE FIRST WAVE RECEDING

First Warning: Time to run to higher ground

Many were too far away to feel the quake

An **earthquake** is the first natural warning of a tsunami, but many were too far away to feel the quake.

Many are too far away from Jesus and His word. They do not feel the **shaking** from the preaching of the gospel warning them of coming judgment. Others hear but reject the gospel of Jesus and fail to run to the **high ground of righteousness**. They die in their sins and spend eternity in the lake of fire. Mt 25:41

*"When they heard Peter preaching, they were pricked (**shaken**) in the heart, saying, 'what shall we do?' 'Repent from your sins, get baptized, and you shall receive the gift of the Holy Spirit. **Save yourselves** from this wicked generation.' 3,000 were saved that day. Acts 2:37-41*

Second Warning: More time to save yourself

Follow the animals to higher ground

Animals run to high ground. Few unfenced animals were killed in the tsunami. Some people saved themselves by following the animals inland.

Like the eight souls that entered the ark in Noah's day, many are entering the kingdom of God after hearing the gospel of Jesus Christ. As the ark lifted them above the judgment of the flood, so are many today running to the **high ground** of righteousness and saving themselves from the coming judgment.

*"The people of Nineveh will rise up in the judgment with this generation and condemn it, because they **repented** at the preaching of Jonah; and indeed a greater than Jonah is here. The queen of Sheba will rise up in the judgment with this generation and condemn it, for she came from the ends of the earth to **hear** the wisdom of Solomon; and a greater than Solomon is here." Mt 12:41*

Third Warning: Five minutes to run to higher ground

Do not linger to see the sights

The ocean recedes or swells rapidly up to five minutes before the first huge wave hits at speeds up to 50 mph. Many **lingering to view** the exposed sea's floor lost their lives.

Many today are going to **view the open and unrestrained lives** immoral people are living in the USA. These immoral people are receding more and more from God's moral standards and exposing their filthy acts publicly.

*"The **waters which you saw**, where the harlot sits, are peoples, multitudes, nations, and tongues." Rev 17:15*

Fourth warning: Last chance to run to higher ground

A relative warns another relative of the coming disaster

Listen to the warning of those who have **knowledge** of what is going to happen.

One man led a whole village to higher ground when he saw the waters receding and **warned** the people. Another man received a cell phone call from a relative experiencing the disaster. As he ran to higher ground he tried in vain to warn others. They **did not listen** and died when the first wave hit.

*"The Gospel of Christ is the power of God unto salvation to everyone who believes." Rom 1:6 "It pleased God by the foolishness of **preaching** to save them that believe." 1 Cor 1:21 "If they **do not hear** Moses and the prophets, neither will they hear even if one rose from the dead." Lk 16:31*

Fifth Warning: Too late to run to higher ground

Sounds like a freight train

"It is appointed for men to die once, then the judgment." Heb 9:27

All who heard the noise from the first wave said, "It sounded like a freight train." But it was **too late** for those still on low ground to run. The tsunami killed all on low ground regardless of religion, wealth, race, or fame.

Neither death, religion, science, or faith without works can save you. Catholics, Protestants, Jews, Muslims, atheists, poor and rich, all nationalities, famous or ordinary: **there was no distinction**.

*"Jesus shall send his angels with a **great sound of a trumpet**. They shall gather together his elect from all ends of the earth." Mt 24:31*

*"Christ shall come as a thief in the night. The heavens shall burn with a great **noise**, and the earth shall melt with fervent heat." 2 Peter 3:10 "All who are in the graves will hear His voice and come forth. They that have done good, unto the resurrection of life; and they that have done evil, to the resurrection of damnation." Jn 5:28*

Sixth Warning: No time to run to higher ground

They looked too long

Many watched the changing ocean till they saw the wave approaching at 50 mph. Then they realized death and destruction were coming, but it was **too late to run** to higher ground.

*"All the tribes of the earth will mourn. **They will see** the Son of Man coming on the **clouds** of heaven with power and great glory." Mt 24:30 "He is coming with clouds, and **every eye will see Him**, even they who pierced Him. All the tribes of the earth will mourn because of Him." Rev 1:7*

*"As in the days of Noah and Lot so shall the coming of the Son of Man be. They ate, drank, bought, sold, planted, built and married, till the flood or brimstone **took them all away**." Mt 24:37, Luke 17:28 (They rejected the righteous preaching of Noah and thought Lot was joking.)*
