CHURCH MEMBERSHIP APPLICATION

All Christians are members of THE Church, regardless of what local church they attend. We believe membership is a Biblical commitment to Christ's church. It is about involvement in a church family that will hold you accountable to growing in Christ. Church membership at Community will be granted to anyone who offers a Biblical testimony of salvation, is in harmony with the guiding values of Community Church, and agrees to accept the responsibilities of membership, including baptism if they have not been baptized. Applications are reviewed and approved by our Elders. Being a member at Community means you have received and agree with the values set out in "Leading and Serving in Community."
