

## **FIRE SNUFFERS**

### **Numbers 11:1-17**

Moses was careful in his obedience to the Lord, always doing "just as the Lord \_\_\_\_\_ him."

Moses seems to be on the edge of "B\_\_\_\_\_".

### **B\_\_\_\_\_**

Moses was leading a community of:

\_\_\_\_\_ men  
Their wives, daughters, and young sons  
The tribe of L\_\_\_\_\_

Vs. 14 -- "I cannot carry all these people by myself; the burden is \_\_\_\_\_."

"If the enemy cannot stop an on-fire Christian, he will \_\_\_\_\_."

### **U\_\_\_\_\_ E\_\_\_\_\_**

Vs. 11 -- "Why have you brought this \_\_\_\_\_ on your servant?"

Sometimes God calls us to do what seems impossible, perhaps so that others will recognize this as a "G\_\_\_\_\_".

### **R\_\_\_\_\_ are Lacking**

So far, \_\_\_\_\_ has come of Moses' efforts.

### **N\_\_\_\_\_ is Lacking**

(S\_\_\_\_\_ -C\_\_\_\_\_)

We need to not only feed the soul and mind on the Word of God, we also need to S\_\_\_\_\_ W\_\_\_\_\_ the physical body God has entrusted to us.

### **O\_\_\_\_\_ discontent/problems of others**

Those who are \_\_\_\_\_ in proximity to God are the ones who are doing the most \_\_\_\_\_.

When ministering to the chronically discontent, dysfunctional, and problem-riddled: we need "M\_\_\_\_\_".  
*Margin* = space, boundaries, and b\_\_\_\_\_.

### **U\_\_\_\_\_ Effort**

(Going S\_\_\_\_\_)

vs. 14 "I cannot carry all these people \_\_\_\_\_..."

#### **CHALLENGE FROM MOSES AND ELIJAH:**

- 1 - recognize when you are I\_\_\_\_\_
- 2 - D\_\_\_\_\_

### **T\_\_\_\_\_ Unfiltered**

Moses did not face the wrath of God for his "complaints" because, unlike those on the "outskirts" of town, Moses did what with his complaints?

Anger should always be: over the right I\_\_\_\_\_, directed to the right person, in the right way, at the right time, and to the right D\_\_\_\_\_.

In response to Moses' prayer - God hears, He answers, He \_\_\_\_\_.
