**Family Promise Update**  
 One of the Family Promise families who stayed with us in January has now moved into housing—what a wonderful blessing for them. They are in need of many basic items to help set up their new home. Please check this week's Faith Flash for the list of specific needs. You may have gently used items at home that you no longer need but could be a real blessing to this family.

**Membership Sunday**  
 Today we celebrate Membership Sunday as we welcome five new members into our church family at both the 9:00 am and 11:00 am services. After worship, please take a moment to greet them warmly and invite them to your small groups or ministries to help them get connected into the life of our church.

**Termite Tenting POSTPONED**  
 The Traditional/Education Building will **not** be tented for termite treatment the week of February 2nd. When temperatures drop too low, the fumigation gas is ineffective, and another cold front is expected next week. The tenting has been **rescheduled for the week of February 23rd**. Small group leaders, please plan accordingly. Please contact the church office for alternate space.
