

Did you know that offering envelopes serve two purposes?

One purpose is to help remind those who receive them and use them of how important it is to support the church in all its various ministries.

**Church Budget**  
Envelope & Mailing Co.

The other is to make sure YOUR offering is accredited correctly! Every contributor or family has a number that appears on their envelopes. Those numbered contribution envelopes are very important for the task of sorting and calculating offerings to make sure every donation is accounted for, and every donation is allocated to the correct giver. If you want your contributions to be applied to your record of giving for the year, it is important that numbered envelopes be used. In that way, we can ensure your contributions are properly applied against your record of giving for the year.

If you do not receive offering envelopes and would like to, please contact the church office.

Online users do not have to worry about using envelopes.

God bless you for your contributions which are keeping this ministry going. As we continue to serve our Lord together, we pray that our city will prosper spiritually, and God's Kingdom will prevail.

Thank you

### Vacation Bible School returns!

VBS will begin July 10th and run until July 14th from 5:30-7PM each day in the Wesley Centre.

Much fun and solid learning will be had through a program called "Twists and Turns."

Please contact Mackensi Beers to sign-up your child/children by today, Sunday, July 2.

We also need volunteers to help. You may reach Mackensi at 813-716-3991 or [Mackensi.Beers@gmail.com](mailto:Mackensi.Beers@gmail.com).

We will also be hosting Family Promise on our campus the same week as VBS. Our families will arrive on Sunday, July 9 and stay with us until July 16. It is a pleasure to be able to invite the children of our guests to participate in VBS.
