Dear CMBC Family Member,

We hope that you and your family are well and safe! We have been working hard to update our online resources so that we may better serve you during this time of social distancing. We periodically ask for an updated member directory form so that we can continue to keep in contact with you. We understand that your address and/or phone number may have changed recently. It is very important to us that we maintain accurate records. We are asking you to submit your current information again so that we can ensure that you are able to receive correspondence from us both through postal mail and via email.

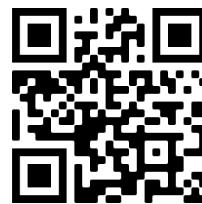

After you complete our online form, you will be sent an email with an invitation to create an account on our website. After creating an account, you will be able to update your information at any time moving forward. You can also view other members' profiles in the church directory as well if they have made their profiles public. You do have the option to not share your information on the online directory, but can just shared with CMBC administration.

Please find the link to our online submission form below. You can manually type the web address in your browser or you can scan the QR code with your smartphone camera and your phone will take you to the online form.

Please complete this form by July 27th so that we can create accounts as swiftly as possible. Email cmbcnorman@gmail.com if you have any questions about the website.

May God Bless You,

CMBC Administration

Giving Options

The point is that whoever sows sparingly will also reap sparingly and whoever sows bountifully will also reap bountifully. Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work. 2 Cor. 9:6-11
